Info

"The Suru was designed as a compact hardworking mini folder. A small knife with a full hand grip when needed. The stout 4mm blade and an almost full flat grind make it a strong but efficient cutter. The Suru is all the knife you need in most everyday situations where an edge is required. Great ergonomics, comfortable carry, super flipping action and a very sharp blade will make this one of your favorite small knives to carry!"

Jesper Voxnaes

The aircraft aluminum handle with stonewashed finishing can undergo color variations from piece to piece.

Blade Coating: black Idroglider stone washed

Idroglider

Special non stick coating made of PTFE that ensures long life and rust resistance.
